2009-10 High School Matching Grant Report

Please complete the following report on your matching grant and return to CSF on or before **Friday, April 2, 2010.** **Please do not send hard copies**. Reports may be sent as an e-mail attachment to lsullivan@csfboston.org or completed online at www.csfboston.org after March 1.

As per the June 2009 grant agreement:

"Matching grants are up to and including the amount stated. For example, if your school's matching grant is $10,000 and you raise $5,000, CSF will match with $5,000. If you raise $10,000, CSF will match with $10,000.

Matching grants must be completed under the terms outlined in the grant letter.

If specific terms are not stated, matching grants must be composed only of gifts from new donors or increased gifts from current donors towards unrestricted purposes or current year scholarship support."

Please note that reports will be subject to examination by an independent auditor. Matching grants will be paid out with spring allocations the week of April 12.
