WE CHANGE LIVES
Together, We Change Lives.

**Mission:** The Catholic Schools Foundation changes lives by providing families with demonstrated financial need an opportunity to give their sons and daughters a quality education, focused on Christian values and character formation at Catholic Schools located throughout the Archdiocese of Boston, regardless of race, religion, ethnicity or gender.

The Building Minds Scholarship Fund is the signature program of CSF. Through this fund, thousands of children in need are given partial scholarships to attend Catholic schools in the Archdiocese of Boston. Scholarships primarily go toward students from high-poverty neighborhoods.

For the past 30 years, CSF has distributed more than $100 million to over 50,000 students. With an awe-inspiring 100% high school graduation rate (98% college enrollment) in 2022, these scholarships truly Change Lives.

A Word from the President & the Executive Director

Thank you for all you do to change the lives of 3,500 young people by providing access to a rigorous, values-based Catholic education. It is the commitment of our donors that give thousands of students with an average family income of $47,000 a year the opportunity to attend 78 high-quality Catholic schools in the greater Boston area. In this annual report, we aspire to show you all the ways that you have changed students’ lives – through creating more access to educational opportunities, paving the road to brighter futures for students, and investing in stronger communities. Thank you for your trust in our work and continued support. This work is not possible without you.

This past year Catholic schools continued to demonstrate what it means to put students and families first. Because of this consistent approach Catholic elementary school students outperformed their peers in reading and math on the “Nation’s Report Card” (NAEP) and more families are seeing the value of the work done by teachers and administrators each day, want this opportunity for their child. The result has been a surge of interest in Catholic schools and an increase in enrollment in our sponsored schools. With $13.5 in scholarship and non-scholarship support, we are proud to partner with the teachers and school leaders who make this work possible and have shown what it means to put children first.

The unwavering support of our donors has made access to a Catholic school possible for thousands of families, creating a pathway to college so that CSF Scholars can boast a 100% college acceptance rate and a 98% college matriculation rate. During these challenging times, you stayed with these students, you renewed your support, and you encouraged us to serve our mission, thank you. We are grateful for your trust and hope you will continue to join with us to change lives for many years to come. The work will not be finished until no family is denied access to a high-quality education.

You change communities. With a focus on supporting regional Catholic school partnerships, CSF is committed to strengthening Catholic schools and the communities they serve. In making this commitment, we have an obligation to the students and schools we serve, but we also have an obligation to our donors. You entrust your resources to us, and we are obligated to ensure those resources have the greatest impact possible. We are confident that the information presented will demonstrate how seriously our Board of Trustees and management team take this obligation and welcome any questions about our work and the stewardship of the resources entrusted to us. We strive for transparency and accountability and appreciate your feedback.

Your support does more than just impact the life of a student for a single year; you are positively changing the course of their life.

Together, We Change Lives.

With gratitude,

Michael F. Rogers
President, CSF Board of Trustees

Michael B. Reardon
Executive Director
Dear Friends of CSF,

As we reflect on this last year, there is much good news and also some challenging times ahead.

First the good news, or more importantly, the very good news:
• The world is returning back to a pre-Covid rhythm and it is no longer just our Catholic schools open for live and in-person learning.
• Enrollment continues to grow in the Catholic schools as a larger number of families and they have seen the positive impact of putting children first.
• Thanks to your continued support, a record $11 M in scholarships was provided to students seeking to improve their lives through a high quality Catholic education.

Despite the incredibly positive impact of Catholic schools last year, there are challenges we must face as we look forward:
• Rising inflation is squeezing families we serve who are already struggling
• The majority of families we serve are employed in hourly jobs in retail, hotels, office buildings and restaurants - the hardest hit sectors - and have had a very slow recovery.
• Our need for scholarships today and over the next year is unfortunately much greater than it was a year ago.

Your support gives at-risk children the opportunity for a superior education, in a comforting environment where they learn how to be a caring person. Our scholarship recipients are mostly non-white (80%), are from single-parent families (63%), and a meaningful percent do not speak English at home. Historically, the success profile for such a student is not good. However, with the ability to attend our schools, these children will have the opportunity to break the cycle of poverty and become productive citizens.

Over the last thirty years my family has given and will continue to give to several dozen highly-effective organizations assisting young people! However, I have not found one of these groups that surpasses CSF in positively changing outcomes of economically disadvantaged children.

As you read this report, know that your gift made a difference and that you are appreciated. We will continue to support the students who have benefited from your generosity. If our funding declines, it means fewer scholarships and that is crushing. We need your help to keep the good news coming for these students and families.

Thank you for continuing to help with our mission.
Together, WE CHANGE LIVES!

Sincerely,

Peter S. Lynch
Chairman, Building Minds Scholarship Fund
President Emeritus, Catholic Schools Foundation
**FY2022 Highlights**

- **Approximately 3,500 Scholarship Recipients**
- **$46,300 Median Total Family Income for a Family of Four**
- **$11 Million in Scholarship Support**
- **1.5 Million in Programmatic Aid**
- **68% Students from Single Parent Homes**
- **98% College Matriculation Rate**
- **100% Per-Cent High School Graduation Rate Among CSF Scholars**

**Serving Eastern Massachusetts’ High-Need Communities**

- Lawrence
- Lowell
- Lynn
- Revere and East Boston
- Malden
- Everett
- Dorchester and Roxbury
- Brockton

**Opening Doors for Students of Diverse Backgrounds**

- African American or Black: 34%
- Hispanic: 31%
- Caucasian: 20%
- Other: 15%
- Female: 55%
- Male: 45%

**Class of 2022 Scholar College Acceptances**

- Boston College
- Brown University
- College of the Holy Cross
- Columbia University
- Duke University
- Georgetown University
- John Hopkins University
- University of Notre Dame
- Williams College

*Full list available on page 18*
As part of its new five-year priorities, The Catholic Schools Foundation (CSF) is launching new regional approaches to grant making. This effort builds meaningful collaborations between CSF-sponsored Catholic schools that promotes access, quality, and sustainability.

CSF first piloted its regional approach to funding with the Catholic Urban Partnership (CUP), which included the Catholic schools in Roxbury and the South End. CSF provided increased scholarships to the CUP schools, allowing CSF scholarships to follow students from grade school to high school. CSF also provided resources for enrollment and marketing initiatives. With additional CSF grants for a reading specialist and an instructional coach, the Catholic Urban Partnership experienced strengthened academics as it focused on student support. As a result of the schools’ strategies and with support from CSF, enrollment increased at the current CUP schools by 25% and retention rates were well over 90%.

In the 2021-2022 school year, CSF expanded its regional approach to Brockton through a new $700,000 grant to Trinity Catholic Academy and Cardinal Spellman High School. The grant includes funding for increased scholarships and enrollment resources along with student support. The regional partnership in Brockton and CSF support has led to strengthened enrollment processes with Trinity Catholic Academy growing its enrollment by 40 students.

A similar grant opportunity is underway with the five Catholic schools in Lowell designed to meet their unique needs. These grants are created in conjunction with school leaders’ visions for the future, a comprehensive understanding of their students’ families’ and communities’ needs.

By collaborating directly and deliberately with partner schools, CSF ensures additional needed resources to the most in-need families while helping to grow the future of Catholic schools in mission-critical communities.

Thank you for making it possible for CSF to have such an impact in these schools and communities!
We Change Access to Student Support

CSF Scholars Thrive through College Mentorship

CSF has recently partnered with The College Perspectives Mentor Program (CP Mentors) to connect scholars with a one-on-one mentor, a relationship intended to last throughout scholars’ college years with the goal of assisting scholars with college admissions, career goals, resume writing, time management, and networking.

CSF understands that the college application process can be a daunting task for juniors, seniors and their families. For our scholars, many of whom will be first generation college students, this can be completely overwhelming and need additional support on top of the resources they receive from their high school guidance counselors. Through this partnership, CSF can offer scholars additional support by connecting students with a CP mentor that will help them through their transition to college and provide guidance during their time there.

CSF launched this partnership this past year and interested CSF Scholars completed a written application and took part in an in-person interview with CSF and CP Mentors staff. The first cohort includes 11 senior scholars from 4 different CSF-Sponsored schools: Saint Joseph Preparatory High School in Brighton, Cathedral High School, Boston, Cristo Rey Boston High School, and Fontbonne in Milton. Earlier this month, the cohort gathered for a breakfast at Fontbonne to meet their mentors in person for the first time and to learn more about the program. Mentors and CSF Scholars will participate in program of activities throughout the year focused on supporting students in their college admissions and career trajectories.

CSF is proud to partner with CP Mentors to offer a supporting hand to our scholars and looks forward to accompanying these amazing students on the road to and through college!

To learn more about this partnership or if you are interested in getting involved, contact Zach Creeden at zcreeden@csfboston.org.
We Change Access to Catholic Education

Providing Students in Crisis the Opportunity of Catholic Education

Since its outbreak, the war in Ukraine has unfortunately forced many families to flee from their homes in the country. These families have immigrated to the United States to find a new home, leaving behind everything they’ve ever known. Here they face many challenges that include culture shock, barriers to the language, shelter, and navigating the school system.

In response to this crisis, the Mosakowski Family Foundation and CSF jumped into action to help Ukrainian students and other students facing crisis. Through CSF’s Emergency Fund, CSF supports students experiencing difficult and unexpected challenges providing them with access to Catholic school. Through the month of October 2022, the Mosakowski Family Foundation matched up to $50,000 in donations in addition to a gift of $100,000 to the fund. In total, $155,000 was raised in support of families displaced by the war in Ukraine as well as other facing unforeseen financial hardships.

In this article, you will read about several students and the challenges they faced in coming to the United States. With the additional scholarship support given, thanks to CSF and the Mosakowski Family Foundation, these students and the many others in crisis are now able to focus on their academics in a caring, community-based Catholic school environment. Without support, these students would not be able to receive a high-quality Catholic school education. The challenges these students face are real, and thanks to the support given, YOU ARE CHANGING LIVES.

You Help Students in Crisis

Max – 9th grade
Catholic Memorial, West Roxbury

Max is a 9th grader currently attending Catholic Memorial in West Roxbury. He and his family were forced to flee from their home in Ukraine at the start of the war. After a period of living in Spain, Max’s family was taken in by another family of once-refugees in Boston who had fled from Eastern Europe in the early 90s.

Despite the challenges he faced this year, Max will now be attending Catholic Memorial High School in West Roxbury as a 9th grader after being connected with the school and receiving tuition assistance from the Catholic Schools Foundation and the Mosakowski Family Foundation. Thanks to the support he has received from Catholic Memorial, its community, and CSF, Max now can grow and learn in a high-quality academic and supportive environment.

Milana – 10th grade
St. Mary’s High School, Lynn

Milana is a 10th grader currently attending St. Mary’s in Lynn. After the breakout of the war in Ukraine, Milana fled along with her mother and sister to live with her aunt in the United States. Their father was forced to stay in Ukraine but hopes to rejoin his family soon.

Working with the New American Association of MA, Milana was placed with St. Mary’s to further her education in a supportive environment capable of giving her the help she needs. With only a little knowledge of English from her schooling in Ukraine, Milana works daily with an ESL teacher to complete her work. Thanks in part to increased support because of CSF, St. Mary’s has been able to hire additional staff to help refugee students like Milana integrate into the school.

You Help Students in Crisis

Max – 9th grade
Catholic Memorial, West Roxbury

Max is a 9th grader currently attending Catholic Memorial in West Roxbury. He and his family were forced to flee from their home in Ukraine at the start of the war. After a period of living in Spain, Max’s family was taken in by another family of once-refugees in Boston who had fled from Eastern Europe in the early 90s.

Despite the challenges he faced this year, Max will now be attending Catholic Memorial High School in West Roxbury as a 9th grader after being connected with the school and receiving tuition assistance from the Catholic Schools Foundation and the Mosakowski Family Foundation. Thanks to the support he has received from Catholic Memorial, its community, and CSF, Max now can grow and learn in a high-quality academic and supportive environment.

Milana – 10th grade
St. Mary’s High School, Lynn

Milana is a 10th grader currently attending St. Mary’s in Lynn. After the breakout of the war in Ukraine, Milana fled along with her mother and sister to live with her aunt in the United States. Their father was forced to stay in Ukraine but hopes to rejoin his family soon.

Working with the New American Association of MA, Milana was placed with St. Mary’s to further her education in a supportive environment capable of giving her the help she needs. With only a little knowledge of English from her schooling in Ukraine, Milana works daily with an ESL teacher to complete her work. Thanks in part to increased support because of CSF, St. Mary’s has been able to hire additional staff to help refugee students like Milana integrate into the school.
Sofia - 10th grade
St. Mary’s High School, Lynn

Sofia is a 10th grader currently attending St. Mary’s in Lynn. Just like Max and Milana, this is also Sofia’s first time in the United States. Sofia, her parents, and her sister were forced to flee their home for a second time at the outbreak of the war in Ukraine. In 2014, when Russia invaded the Crimean Peninsula in Ukraine, Sofia and her family moved to Rubizhne where they settled for eight years.

When they fled Ukraine for the second time, they had only two hours to collect their belongings. With only what they could carry on hand, they made their way to the Polish border. Sofia said it was a “miracle” that their family made it to the border safely.

Sofia has spent the school year adjusting to her new school at St. Mary’s in Lynn and is focusing on her academics before getting into extracurricular activities. Her sister is also a student at St. Mary’s in the seventh grade. Thanks to the additional support provided by St. Mary’s and CSF, she now works with a full-time ESL teacher to accomplish her work.

Beginning last year, St. Mary’s wanted to do our part to help any families that resettled in the Lynn area as refugees from the Russian-Ukrainian war. We are grateful to have played a small role in helping these individuals be able to move forward from a devastating situation. We hope St. Mary’s can continue to be a beacon of hope for these students and others who may need our help.

- Dr. John F. Dolan, Head of School, St. Mary’s High School, Lynn

- **Marketing & PR**: $100,877 | 1%
This is where faith and love lead: Catholic Schools Lead Nationwide Test Scores

The Covid-19 pandemic had a wide-ranging and lasting impact on students’ education throughout the country. School shutdowns and remote learning hurt children’s progress in all subject areas. Recently, the 2022 National Assessment of Educational Progress (NAEP) released their 2022 findings, also known as “The Nation’s Report Card,” which demonstrated the extent of the pandemic’s impact on student learning, with decreases in mathematics and reading scores.

However, Catholic schools emerged as a bright spot in the NAEP report where they outperformed public and charter schools in reading and mathematics. Catholic school students had steady or increased scores in two categories of the NAEP assessment and Catholic school students have the highest scores in the nation on all four NAEP tests.

As shown in the tables on the right, Catholic schools improved in 8th-grade reading and held steady in 4th-grade math. While Catholic schools saw a decline between 2019 and 2022 in 8th-grade math and 4th-grade reading, though these declines were not statistically significant.

This report is a testament to the schools CSF serves. Your support goes directly towards providing low-income children access to these institutions. Without the CSF community our most in-need students would not be able to access a Catholic education. Your help paves the way for students to achieve their dreams through a solid educational foundation.

We have more information on these results over on our website. Scan the code for more information.

Your support allows CSF scholars to attend CSF Catholic schools in Greater Boston. Without YOU many of these children would not have the opportunity to receive a high-quality Catholic education. The results speak for themselves, and this data is a profound testament to what can be accomplished when students and their education are put first. To learn more about how you can make an impact please visit us: www.csfboston.org/support-our-work/ways-to-donate

All gifts made from 7/1/2021 to 6/30/2022
Dear Friends,

I was thrilled to chair the 32nd Annual Building Minds Scholarship Fund Celebration in April of 2022. I want to thank the countless supporters and volunteers who came together for one very special and successful evening. The energy was palpable and the student speakers were a testament to the impact a Catholic education can make. Together we raised an impressive $4.2M for scholarships for in-need students. Thank you.

At the event, guests heard from two extraordinary Catholic Schools Foundation (CSF) Scholars and one Scholar alumna. Natalia Villefranche, a 4th grader at St. Theresa’s School in Somerville and Jorge Ortiz, a Senior at Malden Catholic High School (now attending Stonehill), each spoke about their love for their school community and how their schools challenged them to always do their best and strive for excellence. Joadly Duplan, alumna of St. Theresa’s and Saint Joseph Prep, shined with poise behind the podium and remarked about how her Catholic education provided her with the tools to fulfill her calling of entering the medical field. While we heard from just three very remarkable scholars, there are thousands more each year that benefit from your support of this event. Again, thank you.

Looking ahead, I am pleased to announce that CSF is honoring Peter Lynch at the 33rd Annual Celebration on April 27, 2023. This year, Peter’s daughters, Annie, Elizabeth, and Mary are co-chairing the event committee in honor of their father. I hope you will join us in April to honor Peter’s extraordinary legacy.

I am proud to support the mission of the Catholic Schools Foundation. Your help provides the opportunity for in-need students to access a high-quality education in schools where they are known and loved. With an impressive 100% high school graduation rate among CSF Scholars, your support is changing lives.

Thank you,

Christopher Remondi
Partner, Brown Brothers Harriman
SAVE THE DATE!
33rd Annual Building Minds Scholarship Fund Celebration
Honoring Peter Lynch
April 27th, 2023

Please join the Catholic Schools Foundation in honoring Peter Lynch at the 33rd Annual Building Minds Scholarship Fund Celebration on April 27, 2023. The event is being chaired by Peter’s daughters, Annie, Elizabeth, and Mary. The Celebration will once again be held at the Marriott Copley Place in Boston. Join us in person for a truly magical evening. Advertising opportunities will be available in our Celebration program book starting in early 2023.

For more information on the 2023 Annual Building Minds Scholarship Fund Celebration on April 27, 2023 please scan the QR code.

When I think of the aid I was lucky enough to receive, the word “freedom” comes to mind. My parents had the freedom to choose what kind of education I would receive. I had the freedom to explore. Thanks to scholarship support, I was able to prioritize giving my best academically, as well as participate in extracurricular activities that piqued my interest. Your generous support made this possible, thank you.

- Joa (Jojo) Duplan 2022 Dinner Speaker and CSF Scholar Alumna [Jojo is a graduate of Boston University Sargent College of Health and Rehabilitation Sciences]
I would definitely not be the person I am today without Catholic School. It has shaped me into the determined, confident individual I am today.

- Paige - Lowell Catholic

Sister Janet, honored at the 2022 Annual Celebration

Last year, CSF honored Sister Janet Eisner SNDdeN with the Carolyn and Peter Lynch Award. Among her many accolades, Sister Janet is the country’s longest-serving woman college president. In 2000, she led Emmanuel’s transition from an all-women’s college to a leading coeducational college. She has also influenced the shaping of educational and public policy through her service on several regional, national, and advisory boards and commissions. CSF honored her for her longstanding commitment to education in the Greater Boston area. She concludes her historic 43-year tenure this year in Fall of 2022.
Scholarship Angels

Anyone can be a Scholarship Angel!
Scholarship Angels are individuals who take part in CSF’s monthly giving program and make it possible for a child to attend a Catholic elementary or high school by providing ongoing support through a reliable, steady stream of income.

Individuals who participate in this program ensure that CSF scholars receive the aid they need year after year without disruption or ever having to worry about leaving a school they love because of financial concerns.

When you become a Scholarship Angel the amount you designate will automatically be deducted from your debit or credit card each month or each quarter, based on your preference. Your monthly investment will provide scholarships to in-need students so they can receive a great Catholic education.

Four reason why should YOU because a Scholarship Angel

1. You will provide scholarships directly to students in-need, making a huge difference in their lives.
2. Scholarship Angels provide a steady, predictable source of funding, helping CSF better plan and budget for the future.
3. It’s affordable! Making smaller monthly payments over time means less strain on your wallet.
4. Joining this program helps alleviate CSF’s administrative costs and more of your dollar goes directly to students.

Please visit us at www.CSFBoston.org to learn more.
For more information please contact Talia Scurlock at talia@csfboston.org

Endowment Funds

Your endowed gift will have far greater earning power—a one-time gift that lasts forever. Through an endowment a donor can link their legacy with the future of the Catholic Schools Foundation forever. Currently, the minimum requirement for an endowed fund is $100,000. Please contact Gina Rindfleisch at 617-398-5460 or gina@csfboston.org for more information.

“This school is going to change my life forever. It’s going to take my education to higher levels. It will help me with choosing my college and getting into any one I want. This scholarship means so much to my family and I. It helps us with our tuition immensely and for that I thank you.”

- Delaney R.
The Catholic Schools Foundation has shaped my future in a way I could never have imagined. To my family and I, education is one of the most important parts of our success. CSF has made it possible for me to attend one of the best schools in the state. I believe that the effect Central Catholic will have on me as a student and as a person will lead to a successful career and adulthood and for this I am eternally grateful.

We Change Tomorrow
Legacy Giving

A Legacy Gift is vital to the work of CSF because it ensures all students receive opportunity and access to a high-quality Catholic education for years to come. A Legacy Gift also allows the CSF team to strategically plan for the future.

CSF believes that a strong education is the foundation for breaking the cycle of poverty and leads to a happy, successful life. Your planned gift makes an immeasurable impact on the lives of these students.

There are many ways that you can make a planned gift but one of the most popular ways to leave a legacy is through a bequest. A bequest is a gift provision in your will or revocable living trust. All assets, including cash, securities, real estate, and tangible personal property, may be transferred to Catholic Schools Foundation at the time of your passing.

If you have named the Catholic Schools Foundation in your will or would like to learn other ways to make a planned gift, please visit us at: legacy.csfboston.org or contact Gina Rindfleisch at gina@csfboston.org
