ABOUT CATHOLIC SCHOOLS FOUNDATION

THE CATHOLIC SCHOOLS FOUNDATION (CSF)

The Catholic Schools Foundation (CSF) changes lives by providing families with demonstrated financial need an opportunity to give their sons and daughters a quality education, focused on Christian values and character formation, at Catholic schools located throughout the Archdiocese of Boston, regardless of race, religion, ethnicity, and gender.

THE BUILDING MINDS SCHOLARSHIP FUND

The signature program of CSF. Through this fund, thousands of children in-need receive partial scholarships to attend Catholic schools in the Archdiocese of Boston. Scholarships are given primarily to students in high-poverty neighborhoods. Over the past three decades, CSF has distributed more than \$100 million in scholarship aid to over 50,000 students in the Greater Boston community. With an outstanding 100% high school graduation rate, these scholarships truly change lives.

ABOUT OUR EMCEE

BEN SIMMONEAU ANCHOR, WCVB CHANNEL 5

Award-winning veteran journalist Ben Simoneau is an anchor/reporter for WCVB's NewsCenter 5 at 4PM, 5PM, and

5:30PM. Ben also leads the station's nationally recognized consumer reporting franchise, "Ben Has Your Back." By confronting businesses, state agencies, and federal programs to get answers for Massachusetts residents who need a hand, Ben has helped hundreds of viewers recoup thousands of dollars that are rightfully theirs, while sharing lessons learned so that others can avoid similar pitfalls.

Joining WCVB Channel 5 marked a return to Hearst Television for Ben, who began his career at WGAL, the Hearst-owned NBC affiliate in Harrisburg-Lancaster, PA. Ben joined NewsCenter 5 from WNYW, the Fox flagship station in New York City where he worked as a weekday morning anchor since June 2013. Prior to joining Fox, Ben spent five years working as an anchor and investigative reporter for KYW, the CBS-owned television station in Philadelphia.

Ben received the first-place award for "On-Air Personality - Television" at the 2017 Sound Bites Awards presented by the Massachusetts Broadcasters Association. He is also a three-time Emmy winner who has also been honored twice with an Edward R. Murrow Award - once at WGAL for investigative reporting and once for his role as part of the team at KYW, which won for Station Excellence. Ben's innovative coverage of the 2006 midterm elections earned him a Walter Cronkite Award from the University of Southern California for excellence in political journalism.

Before graduating from Ithaca College with a journalism degree, Ben worked for Chris Matthews as a researcher on his bestselling book *American: Beyond Our Grandest Nations*.

In New York, Ben served on the Executive Council of the Crohn's and Colitis Foundation of America Greater New York Chapter. He now works actively with the New England Chapter, hosting the annual Take Steps walk fund raiser and the organization's largest annual event, the Fete of Food and Wine. He has also worked in the past with the Children's Miracle Network and Alex's Lemonade Stand Foundation.

An avid runner, Ben also enjoys reading, traveling, and spending time with his wife and two children.

DINNER CHAIRS.

WELCOME!

On behalf of the 34th Annual Building Minds Scholarship Fund Gala and the 2024 Gala Executive and Dinner Committees, Thank You! Because of you, we are changing the lives of thousands of students each year.

We are honored to Chair the Catholic Schools Foundation's (CSF) annual gala where hundreds come to gather, support, and celebrate our CSF scholars. Because of you, in need students receive scholarships to attend high-quality Catholic schools in Greater Boston. These schools offer students with a solid academic foundation and are committed to educating and developing the whole student, spiritually, intellectually, socially and physically. CSF scholars have an astounding 100% graduation rate and 98% college matriculation rate — these scholarships make a difference.

Last year, CSF honored our good friend Peter Lynch for his 30 years of service to the mission of CSF. Thanks to the leadership of his daughters, Annie, Elizabeth, and Mary, CSF had a record-breaking year securing millions for the Building Minds Scholarship Fund and the Lynch Scholarship Endowment Fund. We are honored to follow in the footsteps of last year's Gala Committee and Chairs. Peter Lynch urged benefactors to pledge their assistance over several years, ensuring sustained support for students throughout their educational journey.

We appeal to you to continue your support or even increase your donation to help us exceed our goals. This year we have a special challenge. Bill and Jane Mosakowski have agreed to match 1:1 all new and increased support up to \$500K. So tonight, please give and give generously. Your gift can go even further and will go directly to changing the lives of so many deserving students.

Tonight, we honor Rick Henken, President of Schochet Companies. Rick has been a proud supporter of CSF for 20 years and a former member of the Board of Trustees for 16 years. Like us, Rick knows that Catholic schools provide a high-quality education as well as creating good citizens who want to serve and give back to their communities. We are thrilled to have the opportunity to chair the event in tribute to such a compassionate and generous individual. — Congratulations, Rick!

Finally, tonight you will hear from some amazing students whose lives have been changed thanks to YOUR support. These students represent thousands more who are the best and brightest of the Commonwealth. We are so excited for you to meet them and learn about the wonderful things they are working on and planning for the future.

Thank you for giving the gift of opportunity, and for your continued support of these students in the years to come.

— Mike and Renee Minogue

OUR PRESIDENT & DIRECTOR

Dear Friends,

On behalf of the Catholic Schools Foundation (CSF), we welcome you to the 34th Annual Building Minds Scholarship Fund Gala. It is an honor to have you with us, and we extend our heartfelt gratitude for your support. Your generosity makes it possible for thousands of in-need students across Greater Boston to receive a high-quality Catholic education. Thank you!

Each year nearly 4,000 students directly benefit from a CSF scholarship. Unfortunately, the demand among low-income students for a Catholic education is much greater than we can provide. Despite the desire of many families to enroll their children in Catholic schools, financial constraints and lack of scholarship support prevent them from accessing this opportunity. Your continued support each year is critical to these children.

It is an honor to be able to recognize Rick Henken tonight with the Carolyn and Peter Lynch Award. For over 20 years, Rick has been supporting CSF's mission, providing low-income students with an opportunity at a better shot in life through education, committing his time and resources to this end. Rick is unwavering in his belief that every child deserves an opportunity for a quality education. We are proud to call him a friend.

Tonight's success is due in large part to the Gala Committees and tonight's Gala Chairs, Mike and Renee Minogue. Renee and Mike worked enthusiastically and tirelessly to make this year's event a success. They, along with all our Gala Committee members, have dedicated countless hours raising millions of dollars toward scholarships for in-need students. We are most grateful for their leadership and commitment to the students we serve.

We also want to express our appreciation to the Young Leaders and their Chairs, Brennan and Colin Howley. Through their volunteerism, awareness, and fundraising, they provide students with unique opportunities for future success.

Finally, we want to thank Bob Reynolds and his team at Putnam Investments and Franklin Templeton Company, our video sponsor, as well as Kyle Grimes and his team at WCVB Channel 5, our media sponsor. Their continued commitment to this work is incredible and appreciated.

We hope that you enjoy meeting some of our scholars during tonight's event. Your support makes it possible for these students to have a lifetime of opportunities and a chance to have a brighter future. On behalf of the CSF Board, staff, and the students you support, thank you for making this possible.

TOGETHER, WE ARE CHANGING LIVES!
