

Dear School Partner,

We appreciate your support of the Gerstner Scholars Classes of 2019-2022 at your school. The Catholic Schools Foundation and the Gerstner Family are eager to learn about the scholars' year to date!

As part of the scholarship agreement, we are requesting the following resources be sent via by **January 18, 2019 to allocations@csfboston.org**:

- Student mid-year transcript
- Updated student activity report (clubs, extracurricular activities, sports, volunteering, campus ministry, honors or awards)
- Narrative summary of student successes (500 words) from his or her guidance counselor
- School photo
- Personal letter from the Gerstner Scholar to the Gerstner Family Foundation ([please edit for content and grammar with students before sending](#))

The personal letter should include a thank you message to the Gerstner Family for the scholarship and answer the 6 following questions:

1. What is one of your greatest successes this school year so far? What achievement at school are you most proud of?
2. What was your greatest challenge this year? How did you overcome this challenge?
3. Which of your classes are the most interesting and why?
4. What are the extracurricular activities and sports you participate in? What do you like about these activities?
5. What are your goals for the rest of the school year?
6. What do you like about attending a Catholic school?

Please be in touch with any questions.

Warm Regards,

Megan Adzima
Director of Allocations and Partnerships
