

COVID-19 School Update
March 16, 2020

Dear School Leaders,

As the COVID-19 situation continues to evolve, the Catholic Schools Foundation recognizes the disruption and the unprecedented challenges faced by you, your teachers, and your families.

During this time the CSF offices will be closed, but the team will be working remotely in order to ensure there is no disruption in our ability to fulfill our mission and our obligation to you and the students you serve.

There is no impact on our current or FY21 scholarship and non-scholarship grants. Additionally, as the situation surrounding Covid-19 rapidly changes, we will continue to evolve our response to it.

Immediately, CSF will take the following actions:

- Maintain the April 16, 2020 distribution to provide continuity to schools and families.
- Continue our Emergency Fund with [added rounds and increased frequency](#).
- Extend the financial aid deadline to Sept. 30 for ALL scholarship recipients (returners and new).
- Extend the 5% Award Increase deadline for participating elementary schools to June 30.
- Review and adjust all other deadlines as needed.

Our Board of Trustees and donors are committed to meet the financial need of our schools and scholarship recipients during these unprecedented times.

We are incredibly thankful for your partnership and the incredible work you are doing. Please reach out with any comments, feedback or ideas on how we can help at 617-778-5981 or contact any one of us directly via email.

Sincerely,

Mike Reardon
