*All proceeds from this event go towards scholarship awards for financially in-need students in greater Boston. The COVID-19 pandemic has brought on unique challenges for our scholars, all of whom come from low-income homes, and many with parents working wage-based jobs. CSF saw 5-times the normal amount of Emergency Fund requests, with more applicants in the spring of 2020 than the entire previous year. With the pandemic still very relevant and many experts predicting a second wave of cases in the coming months, we expect another significant increase in Emergency Fund requests. The lingering effects of the pandemic will be felt for the foreseeable future, making your sponsorship of the Corporate Trivia Challenge this year even more valuable to not only CSF, but to the children, families, and schools we proudly serve.

Guest lists are due to Zach Creeden, zcreeden@csfboston.org by October 22, 2020.
